## How we connect you with jobs

- › **Standard Leads:** Connect with customers looking for a pro with your skills in your locations.
- › **Direct Call Leads:** If a customer wants to speak to a pro right away, we'll call you. Accept or decline the customer call - only pay if you accept.
- › **Appointment Leads:** Accept an appointment to visit a customer. Link your calendar or CRM so you're never double-booked.
- › **Job Opportunities:** Matches you can choose to accept or decline. You're only charged if the customer requests a quote from you.

## Maximize your chance of winning jobs

- › **Respond quickly and follow-up:** 50% of jobs go to the first pro to contact the homeowner
- › **Update your profile:** Add photos, awards and information-robust profiles receive 60% more contacts
- › **Collect and respond to reviews:** Easily collect ratings and reviews to build your reputation
- › **Optimize your leads:** Target larger areas or single ZIP codes based on your preferences
- › **Get personalized advice:** Align your marketing and business goals with help from your account manager
- › **Work smarter:** Manage your business on-the-go with the Angi Pro Leads app
